

Greener Accommodations for a Healthier Night Sleep

What is this you ask? Simply put,

The Olde Mill Inn is dedicated to providing our guests reduced allergen friendly accommodations for a healthier pollution free night sleep. We strongly believe you will sleep better in our rooms prepared with *only* non-caustic, non-toxic, Green Seal* approved cleaning agents and detergents allowing you to breathe and sleep better.

Green-sense with you in mind.

- Air cleaners with carbon filters.
- Laundry detergents being non-toxic, non-caustic, phosphate-free, biodegradable, chlorine-free, concentrated and liquid.
- Cleaning products that are as much as possible non-toxic, phosphate-free and biodegradable.
- Live plants in rooms to increase oxygen in the airflow.
- Recycling notice for guest involvement.
- Energy Star lighting.
- No Styrofoam usage; Glass water glasses in all the rooms
- Guests may elect to change linen and towels on a request only basis during their stay.
- Recycled content paper products that are biodegradable and unscented.

** Green Seal Certification ensures that a product meets rigorous, science-based environmental leadership standards. This gives manufacturers the assurance to back up their claims and purchasers confidence that certified products are better for human health and the environment.*
