

**FOR IMMEDIATE RELEASE:**

**FLEXIBLE WEDDINGS AT THE OLDE MILL INN BASKING RIDGE**

(September 10, 2010 BASKING RIDGE, NJ) In the current economy, the Olde Mill Inn has combined the experience of thousands of weddings and seasoned wedding planners to produce the "Flexible Wedding." Using resourcefulness and a large team of tested vendors, the planners are able to maximize the budget to add the rich details that distinguish one wedding from all others. This is done while respecting financial and any other special circumstances, and without compromising the dreams of the couple about to be married.

Named as the Knot's Best Pick wedding venue every year since 2007, the Olde Mill Inn has been recognized for producing very elegant weddings that are within a reasonable cost and orchestrated by staff that is completely focused on the couples' important day. There are no "standard" weddings; each event is customized to the needs of the bride and groom. Wedding packages serve as guidelines, but those packages are molded and tweaked until they become the wedding of the couples' dreams. After an all-important interview process, where brides and grooms discuss their aspirations and challenges, the planners assemble all of their creativity to create the most memorable day for each bride and groom, as well as for their family and friends.

The Olde Mill Inn does have some inherent advantages that help brides to realize their dreams. The scenic 10-acre estate with exquisite seasonal vistas, beautiful interiors and historical ambiance are wonderful assets to start with for the wedding planning process. The property also offers onsite ceremonies in the beautiful stone courtyard or on the tented patio, at one of the flower adorned gazebos or within the indoor spaces. But the real advantage lies in the ability of the planners to look at the event from many angles and to creatively deploy their deep well of resources to create an event that will be remembered for a lifetime. Like a sculptor molding clay into a beautiful statue, they will "flex" challenges into dream weddings.
